White Paper

Structure and Outline
- Contributions from working groups form basis of text

Editors
- workshop organizers (Baha, Eric, Steen, KMH)
- working group leaders (Hamish, Christian, John, Scott, Yvonne, Ramon, Werner)

Deadline
- Editing of complete draft by April 15, 2010

Journal
- Astroparticle Physics
Many thanks to the working group leaders!

Q1 - direct, kinematic measurement
Hamish Robertson, Christian Weinheimer

Q2 - double beta decay
John Wilkerson

Q3 - astrophysics/cosmology
Scott Dodelson

Q4/5 - model dependencies/uncertainties/global analysis
Ramon Miquel, Werner Rodejohann, Yvonne Wong
Many thanks to all participants for interesting discussions!
Many thanks to Laura Lee and the INT for hosting us and helping with the organization!
